

PROFILE

Recent graduate in Video Game Design and Development from CITM (2025), eager to keep learning and exploring new tools and creative approaches.

Gained hands-on experience as an IT Assistant at Serveis Clínic, improving technical and problem-solving skills. Developed and published academic and personal projects on Itch.io and GitHub, with a solid base in design and programming.

Native in Catalan and Spanish, fluent in English, and basic in Japanese and German. Passionate about video games and music, and motivated to grow within the game development industry.
